ENVIRONIZE® 200 Anolyte

No-Rinse Natural Cleansing Wash for your face, hands and whole body

&

ENVIRONIZE® 500 Anolyte

Multi-Use Disinfectant for hard non-porous surfaces

Clean and protect yourself from pathogens

FEATURES

- Made from 100% natural ingredients
- Biodegradable
- 99.9% effective against pathogens
- Fragrance, dye, alcohol and triclosan free
- pH balanced
- Non-irritating
- Made in Canada

DIRECTIONS

ENVIRONIZE® 200 Anolyte: Simply pour or spray the product on your hands, face or other body parts. Rub and allow to dry - no rinsing required. For external use only. Avoid all contact with eyes.

ENVIRONIZE® 500 Anolyte: Ready to use. Remove debris and dirt. Spray over the target area. Rinse if applied to a food contact surface. Avoid contact with eyes.
